Chief Volkmann,

Probationary Firefighter John Spierto has been assigned to A shift and working under my Command for the duration of his probationary period. During this time FF Spierto has proven himself to be a more than capable and resourceful firefighter. He was able to quickly qualify on all the department apparatus as well as learn and follow the department's policies and procedures. PFF Spierto has also shown his ability to work as part of a team as well as competently operate independently and without direct supervision. Most recently he has shown his ability to take on responsibility by working with FF Slane to oversee and update the department's EMS supplies ensuring we are properly equipped to handle emergency medical calls.

It is with full and complete confidence that I recommend PFF John Spierto be removed from probationary status and made a full member of Monroe Twp. Fire District # 2. He will no doubt prove to be an asset to our department for years to come.

Fraternally,

Captain James Grande
Monroe Twp. Fire District # 2
